The order is binding for the orderer 14 day from the receipt of the order in our house.

The contract is binding for both sides, if the seller confirms the order within this period.

The seller is authorized to transmit the name and address of the buyer to the International Dragon Boat Federation for purposes of registration.

The buyer accepts the ownership of the BuK company concerning all rights connected to the BuK-dragon boat form and type including following conditions :

Copying of the shape or details of the design or using the Buk-boat for building a mould is strictly forbidden without express authority.

Offenders are liable to the payment of damage - the minimum charge in case of offence is 50.000 EUR..

All rights are reserved in the event of the grant of the registration of a utility model or design.

We reserve the right to put through our legal claims in this matter in all countries.

The BuK company points out, that the needed safety of the BuK dragon boat and its durability is only guaranteed by the application of their special building- technology and if the safety instructions, handed over together with the boat, are observed strictly.

Remark:

Following rules have to be kept in cases, where the European buyer is a private person without an own VAT (value-added tax) -number:

1. The BuK company has to calculate the final invoice including the German VAT-value. (This would mean an increase of 16%)
2. The buyer has to report the buying to his tax-office within 8 days and has to send a proof of this report, got from his tax-council within 14 days to the BuK company.
3. After receiving this proof BuK will correct its invoice and refund the 16% VAT.
4. In case of collecting the boat here in Germany the customer would have to sign a form, confirming the export-transportation. It will include:
 - name and address of the person, collecting the boat (copy of the passport)
 - confirmation of export into the country of destination
 - confirmation, that the import will be reported within 8 days to the tax-office in charge
